**Schlage Announces Exclusive Residential Partnerships
with PulteGroup, Smith Douglas Homes, Hanover Builders**

*Leading Innovator in Door Hardware Increases National Presence through
New Relationships with Top Single-Family Home Builders*

INDIANAPOLIS (Oct. 5, 2017) – [Schlage](#)[®], a brand of Allegion[™] that has been creating stylish, innovative door hardware for more than 95 years, is pleased to announce new residential purchasing arrangements with three of the nation’s top home builders: PulteGroup, Smith Douglas Homes and Hanover Builders, Inc. Schlage locks will now be exclusively purchased and featured on all new developments as a part of each builder’s ongoing commitment to offer stylish and secure residential door hardware solutions to single-family homeowners.

Trusted in more than 40 million homes nationwide, Schlage door hardware offers an easy way for home builders to enhance the style of a home, provide increased security and even make it smarter. As the No. 3 builder in the U.S., PulteGroup extends its relationship with Schlage until 2021 to integrate more electronic lock options into nearly 50 residential markets throughout the country. The brand’s relationship with Smith Douglas Homes will run through 2020 and support the builder’s mission to continue providing quality homes at affordable rates. Furthermore, Schlage’s relationship with Hanover Builders will primarily support the builder’s new development in Central Florida through 2020.

“We are excited about our new and continued partnerships, as well as the opportunity to exclusively have Schlage door hardware featured inside single-family residences developed by some of the most prestigious home builders across the nation,” said Dave Perozzi, residential professional channel leader at Schlage. “We take pride in providing the highest level of service and resources to all of our customers, and we look forward to growing these new and exciting relationships, along with our presence in the marketplace.”

In addition to helping each builder identify the best door hardware systems for each of their residential projects, Schlage will also provide hands-on management support and resources to ensure the best quality experience during each phase of the relationship.
